Narrative

Client entered the Franklin County Sheriffs Office on 07/27/2016. When client entered the facility there wasn't many pretrial programs. During the roll out of programs in the pretrial unit client has taken advantage of most of them. Client is currently enrolled in Adult Basic Education (working towards his HIsSet), DBT group (Dialectic Behavioral Therapy), ACT Matrix, Relapse Prevention and Recovery Art. During Groups client attends, actively engages and appears to be interested and content throughout groups.

Client has been working in the Hallway at nights since 3/30/2017, prior he was working a housing unit job. Client has no D-Reports during his stay. Client is always willing to help out and respectful to all staff, it is nice having him in the unit.

Client should keep going to groups and hopefully complete his HIsSet prior to his release. Keep up the good work.
